### **2007 Diversité:**

***Wine Spectator, 92-points, Top '07 Pinot***

*“Light and fragrant, a delicate style that has a reserve of power behind the refined blackberry, boysenberry, mint and spice aromas and flavors, lingering easily over fine tannins. Drink through 2014.”*

### **2007 Équinoxe:**

***Wine Spectator, 90-points***

***IWC (Tanzer) – 90-points***

*“Medium red. Red and dark berries on the nose, with cracked pepper and Asian spices adding lift. Juicy, finely etched raspberry and bitter cherry flavors gain depth with air and pick up an earthy tarragon quality. The spiciness returns on the sharply focused, tangy finish. I like this wine's energy and clarity.”*

### **2007 Rocheux:**

***IWC (Tanzer) – 91-points***

*“Bright red. Powerfully scented aromas of black raspberry and cherry compote. Plush red fruit flavors are given a refreshingly bitter edge by candied licorice and cola notes. Very seductive pinot with impressive finishing sweetness, breadth and persistence. The sexiest bottling of this group and already delicious.”*
